

# Sunrise & Sunset Times

**HOURS OF HUNTING** shall be Central Daylight Time August 13 through October 29 and Central Standard Time October 30 through the end of most seasons. The time of sunrise and sunset at Bismarck is given below. The sun rises and sets one minute later for each 12-1/2 miles westward of Bismarck and one minute earlier for each 12-1/2 miles eastward of Bismarck.

## RAP Program (Report All Poaching)

This program provides people the opportunity to report wildlife violations, remain anonymous if they prefer, and to receive monetary rewards for convictions based on their information. Anonymous callers will be given a special code number and are not required to give their name. Rewards range from \$50 to several hundred dollars depending upon the nature and seriousness of the crime. **Call 1-800-472-2121. Call this number only to report Game and Fish violations.** The reward fund is supported by private donations. If you wish to donate to the RAP program, tax deductible contributions can be sent to R.A.P., Box 188, Valley City, ND, 58072-0188.

## Harvest Information Program (HIP)

All migratory game bird hunters must register annually with the Migratory Bird **Harvest Information Program (HIP)** before hunting ducks, geese, swans, mergansers, coots, cranes, snipe, doves and woodcock. Before your license to hunt is legal you must register by calling toll free 1-888-634-4798. After answering a brief survey you will receive a **HIP** registration number which must be recorded on your fishing, hunting and furbearer certificate. *(NOTE: If you purchase your hunting license at the Department's Bismarck office, through the Department's website, or over the phone with the toll-free number you are automatically HIP certified. If you participated in the spring snow goose conservation hunt you have already been HIP certified.)* **HIP** is a US Fish and Wildlife Service program designed to track the harvest of migratory birds for management purposes.

## Road Right-of-Ways

Do not hunt on road right-of-ways unless you are certain that they are open to public use. Most road right of ways are under the control of the adjacent landowner and are closed to hunting when the adjacent land is posted closed to hunting.
